Catalina Express Announces Service-Change, With All Long Beach Service Temporarily Relocated to San Pedro

March 9, 2010 – April 15, 2010

SAN PEDRO, Calif. -- Catalina Express is temporarily moving all of its scheduled Long Beach to Avalon and Two Harbors boat service from the Downtown Long Beach Catalina Landing to its port at Berth 95 in San Pedro. The move, necessary to accommodate dredging in the Catalina Landing basin is effective Tuesday, March 9, 2010 through Thursday, April 15, 2010.

Dredging operations are required to maintain a 15 foot clearance for vessel access to the port. The City of Long Beach in cooperation with the Abbey Company are performing the dredging project. Work is expected to begin March 9th and end approximately April 15th, after which Catalina Express will resume normal operations at the Long Beach Landing.

Catalina Express will operate the Long Beach schedule of service from San Pedro. Provisions are being made for frequent travelers and their parking arrangements. For schedule information, visit www.catalinaexpress.com, or call 800-429-4601.
